Pay Range: \$15.00 to \$20.00

Summary of Job:

This position is responsible for performing a variety of fabrication projects including field related fabrication such as signs, railing, fences and trash containers. In addition, you will assist with shop fabrication such as trailers, small tools and truck and equipment modifications.

Essential Functions:

- Responsible for welding, cutting, grinding, bending and finishing steel
- Prepare metal for welding and painting
- Measure material
- Perform electrical connection for trailers
- Mix concrete
- Paint trucks and fences
- Dig holes for posts

Job Skills/Requirements:

- 1+ years' experience in safe and efficient use of welders, plasma cutters, cut-off saws and drilling equipment
- Arizona Driver License and acceptable MVR record (39 months)
- Must know how to diagnose electrical problems
- Must be able to work independently
- Must work safely

Physical Demands/Working Conditions:

- Must be able to lift 50 lbs. on a regular basis
- Able to walk/stand for long periods of time
- Able to reach, bend, twist, kneel, stoop, squat, crouch, and grasp along with repetitive movements may be part of daily job duties
- Works in an outdoor environment
- Must be able to work in summer and winter climates including extreme heat in the summer

Our Company & Benefits

With over 30 years of experience in landscape, water and arbor management, DLC Resources, Inc. provides superior landscape management to communities across greater Phoenix. DLC leads the industry in state-of-the-art technologies that increase efficiency while providing cost effective, expert landscape management results to our customers. DLC's nationally recognized *WaterRight*® water management program improves the quality and usability of our clients' common areas while saving millions of gallons of water each year.

We offer rewarding work, a great culture and we continually invest in the development of our people by supporting technical training, certification programs, workshops and stretch work experiences. We offer health, dental and vision. In addition, participation in an ESOP (Employee Stock Ownership Plan) retirement plan, at no cost to our employees. We continually invest in the development of our people, our most important asset, while providing the highest quality, safety and innovation in the industry.
